This Neami National referral form collects information to assist Neami National staff to help consumers get access to the services they may need. By signing this form, I consent to be referred to Neami National, and give Neami National permission to contact my referrer/clinical supports. Neami National will contact my referrer/clinical supports to obtain information relevant to providing care and services to me. If this is a self-referral, I consent for my clinical supports to be contacted and to obtain information relevant to providing care and services to me. I understand that I can withdraw from this referral or from the referred service at any time. All information will be treated confidentially and will only be used for the purposes stated on the consent form (signed when the consumer first engages with services).
